Consumption Bar

Highland Park offers a consumption bar as well. This is when you let our clubhouse manager know what limit (tab) you decide you will set for the bar during your event. Throughout your event, our bartenders will keep track of the beverages sold. When and if the total of the bar sales gets close to the agreed upon set limit, we will let you know at once. At that point you can simply ask to add more to your tab or switch over to a cash bar. This gives you more flexibility and more control over what your beverage total will be for your event.

Domestic Beer \$3.50, Import Beer \$4.25, Wine \$6.00
Well Drinks \$3.75, Premium Drinks \$4.50

Choose two reds, two whites and four beers along with the house liquors. Let our clubhouse manager help guide you with your selections.
